

# Belconnen Community Theatre Car Park Arrangement

The car park directly opposite the Theatre has closed.

BUT there is another car park just 150 metres away.

So please allow extra time for parking

## See map below.

Those with mobility issues may wish to be dropped at the theatre door, while your driver goes and parks the car.

The Theatre box office and refreshment stall is open 1 hour prior to each performance so please come on in early and relax in the comfortable chairs in the foyer

*The LoveBirds* is a very funny show.

So please come and support us and have a great time at the Theatre.
